

2021 DELAYED FUNDRAISING FORM

Deadline to complete Delayed Fundraising Form is October 21st, 2021

As a participant of Road Hockey to Conquer Cancer, Fuelled by Longo's, I understand that there is a **TEAM** minimum fundraising amount of \$10,000. By doing a delayed fundraising form on behalf of my team members, I understand I am responsible for the remaining amount needed to reach the fundraising goal (\$10,000 – Team Fundraising Total).

I, _____, authorize The Princess Margaret Cancer Foundation to charge my credit card for the difference (shortfall) of what my team has fundraised of the \$10,000 team fundraising minimum. This amount will be calculated and charged on December 31st, 2021 based on my fundraising total on December 31st, 2021, if my team has not raised the minimum requirement.

NOTE: your card will only be charged on December 31st, 2021 if your team has not reached its \$10,000 goal as of December 31st, 2021. No charge will be made before this date other than the nominal fee explained below.

Your credit card will be charged a nominal fee of \$2.00 to verify the credit card and your commitment. This \$2.00 charge will go towards your fundraising total. Between the initial \$2.00 charge and December 30th, should your team reach its \$10,000 minimum, all players are relieved of delayed fundraising obligations.
