Dear Friends,

This year, I am participating in **Scotiabank Road Hockey to Conquer Cancer**, the world's largest road hockey fundraiser - supporting Princess Margaret Cancer Centre, one of the top 5 cancer research centres in the world.

This year is the 10th anniversary of Scotiabank Road Hockey to Conquer Cancer and on **September 26th, 2020** at **Downsview Park** teams of 8-12 players will raise \$10,000 minimum with the hope to make a significant contribution to this amazing cause.

I am asking you to consider making a donation to **my fundraising campaign**, in support of my fight against cancer. If it is \$50 or \$500, any amount helps; all funds will go towards making personalized cancer medicine at The Princess Margaret a reality.

It's time we took a courageous stand against such a destructive disease. I'm playing so that my efforts will make a truly impactful difference in striving towards one ultimate vision: To Conquer Cancer in Our Lifetime!
